

PRUNUSKE CHATHAM, INC.

JOB DESCRIPTION

Mid-Senior Level Landscape Architect

Prunuske Chatham, Inc. (PCI) is seeking a mid-senior level landscape architect and project leader to join our team in Sebastopol, California. PCI is a small, multi-disciplinary firm that specializes in ecological restoration and resolving environmental challenges in Northern California. Our team of scientists, planners, landscape architects, engineers, and constructors work collaboratively to produce high quality restoration outcomes for our clients. PCI is committed to maintaining a workplace that fosters creativity and produces tangible benefits for our clients and the environment. To learn more about PCI, visit www.pcz.com.

The ideal candidate will have experience providing project management and leadership through all phases of projects, from inception to implementation, with a particular focus on habitat restoration. In addition to restoration, design projects include park and open space preserves, ranches, and winery landscapes with a focus on sustainability and native plants.

Typical Tasks:

- Work alongside PCI's principal staff to lead projects
- Manage projects by delegating tasks to design team staff
- Write proposals: develop scopes of work and budgets for design
- Develop designs including hand rendered concepts
- Lead development of construction documents including technical specifications and construction details
- Write design reports including technical memos and feasibility analysis
- Collaborate with professionals from other disciplines, including scientists, engineers, ecologists and planners
- Mentor junior staff

Education & Experience

- Bachelors or Master's degree in landscape architecture
- Professional license in CA
- 5-10 year's professional experience
- Knowledge of environmental restoration
- Knowledge of CA native plants a plus

Skills & Abilities

- Communicate effectively with clients
- Proficiency in AutoCAD (Civil 3D a plus); Adobe Creative Suite and Microsoft Office.
- Conduct site visits to assess existing conditions and analyze opportunities and constraints
- Ability to effectively delegate tasks and manage projects to meet stated objectives, timelines, and budgets.
- Proven writing skills and demonstrated experience producing high-quality reports.

- Excellent interpersonal skills with the ability to provide leadership and work collaboratively in a team environment and with clients.

Compensation: This position is full time with benefits, including health insurance, 401K, and paid leave. PCI offers competitive salaries commensurate with experience.

To Apply: Please submit a résumé and cover letter that describes your interest in the position and PCI to: hr@pcz.com. Please put "Mid-Senior Level Landscape Architect" in the subject line. We look forward to hearing from you. The review and interview process will continue until the position is filled.
